## ANNUITIES

Accumulation Protector Plus <sup>SM</sup> Annuity	The <b>Accumulation Protector Plus<sup>SM</sup> (APP) Annuity</b> is a fixed indexed annuity designed to both accumulate and protect wealth against future market downturns. The APP annuity provides exclusive and flexible crediting strategies and offers a <b>10 year guarantee on select participation rates</b> . <sup>2</sup>
Retirement Plus Multiplier <sup>®</sup> Annuity	The <b>Retirement Plus Multiplier<sup>®</sup> (RPM) Annuity</b> is a fixed indexed annuity that excels through its 5-year duration and combination of index strategies, including an index designed around the <b>long-term demographic shift towards an older population</b> in the United States. With its optional riders, the RPM annuity offers even greater opportunities for accumulation and income.
Summit Bonus Index <sup>SM</sup> Annuity	The <b>Summit Bonus Index<sup>SM</sup> Annuity</b> is a fixed indexed annuity that offers <b>guaranteed lifetime income</b> through the selection of its optional <b>Income Rider</b> , and a guaranteed rollup rate on the income account. In addition to the lifetime income features, the Summit Bonus Index <sup>SM</sup> Annuity offers index strategies for accumulation options.
Guaranteed Income Annuity	This <b>income driven</b> annuity offers three riders, each of which were designed to address a specific goal - <b>accumulation, consistent income, or the ability to leave a legacy</b> for beneficiaries. The versatility available with the Guaranteed Income Annuity makes this annuity capable of catering to a wide variety of retirement planning needs.
Personal Choice Annuity	The <b>Personal Choice Annuity MYGA</b> was designed to help maximize the fixed interest rates available in the three, five, seven, and ten year durations, through its flexible a-la-carte riders that allow policy holders to only pay for the features they need.
Personal Choice Plus Annuity	The <b>Personal Choice Plus+ Annuity</b> provides the power to determine how retirement assets will grow by selecting between four available interest crediting methods – a guaranteed fixed interest rate, plus three index strategies based on the S&P 500 <sup>®</sup> .

## LIFE

New Vantage <sup>®</sup> Life Insurance	When our time comes, none of us want to leave our loved ones with large funeral costs. With three different plans to choose from, the <b>New Vantage<sup>®</sup></b> whole life insurance product was created to cover almost anyone and their unique needs, and the inclusiveness of the three plan options helps policyholders, and their families, rest assured knowing that their final expenses are covered.

**No Offer:** This document ("Presentation") is neither an offer to sell nor a solicitation of an offer to buy any security, and is provided solely to inform potential offerees preliminary information about Advantage Capital Holdings, LLC d/b/a "A-CAP" and its affiliates (collectively herein referred to as the, "Firm"). This Presentation is not intended to solicit an investment in any particular investment product, structured or otherwise.

**Investment Data:** The investment allocation data is as of the date presented and may change based upon individual client investment guidelines, liquidity needs, client imposed investment restrictions, credit quality requirements, collateral needs and related criteria.

**NAIC:** NAIC is an acronym for the National Association of Insurance Commissioners.

**NAIC 1 Rating:** NAIC 1 is assigned to obligations exhibiting the highest quality. Credit risk is at its lowest and the issuer's credit profile is stable. This means that interest, principal or both will be paid in accordance with the contractual agreement and that repayment of principal is well protected.

An NAIC 1 obligation should be eligible for the most favorable treatment provided under the NAIC Financial Conditions Framework.

**NAIC 2 Rating:** NAIC 2 is assigned to obligations of high quality. Credit risk is low but may increase in the intermediate future and the issuer's credit profile are reasonably stable. This means that for the present, the obligation's protective elements suggest a high likelihood that interest, principal or both will be paid in accordance with the contractual agreement, but there are suggestions that an adverse change in circumstances or economic, financial or business conditions will affect the degree of protection and lead to a weakened capacity to pay.

An NAIC 2 obligation should be eligible for relatively favorable treatment under the NAIC Financial Conditions Framework.
