Sentinel Security Life Insurance Company

The Sentinel story started in 1948. A group of passionate Utah funeral directors saw many families in need of an insurance product designed to help pay funeral costs. To help meet this need, they came together and created Sentinel Mutual Insurance Company. At last families were able to purchase a budget-friendly life insurance policy designed to help pay for the final expenses of a loved one.

As the years went by a few name changes took place (going from Sentinel Mutual Insurance Company to Sentinel Insurance Company in 1954 to Sentinel Security Life Insurance Company in 1957.

In more recent years Sentinel decided to expand its product offerings beyond final expense. In 2009, the company rolled out a Medicare Supplement product to help pay for the gaps not covered by Medicare. This was followed by the development of multiple innovative annuity products. With consistent and solid growth, Sentinel remains well-positioned to continue creating and rolling out new innovative products to better serve our client base.

We look back at our history of service with pride and excitement for the future. We invite you to become part of our story as we work to provide peace of mind to families throughout the country.
